

Farmington/Sunrise Dental
Financial Acknowledgement

Insured Patients of Record;

I understand that services rendered to me by Farmington/Sunrise Dental are my financial responsibility and that the provider will bill my insurance as a courtesy. I authorize my insurance company to pay my benefits directly to my provider and I understand that I will be fully responsible for any outstanding balance on my account. This is a direct assignment of my rights and benefits under this policy. This payment will not exceed my indebtedness to the above-mentioned assignee and I have agreed to pay, in a current manner, any balance of said professional service charges over and above this insurance payment. I authorize the provider to release any information necessary to adjudicate the claim, and understand that there may be associated costs for providing information beyond what is necessary for the adjudication of a clean claim.

As a patient, it is your responsibility to understand your insurance plan benefits. Our courtesy verification of insurance is based what the insurance "tells" us which is sometimes not correct,

Not all services are covered in all insurance contracts. If your insurance plan does not cover a service or procedure, you are responsible for payment of these charges. If your insurance company does not pay the practice within a reasonable period, we will look to you for payment. If we later receive a check from your insurer, we will refund any overpayment to you

It is your responsibility to inform us of any changes with your dental plans before your arrival. It is also your responsibility to release all insurance information to us for proper billing.
